

# HOSPITALITY PROJECT OVERVIEW:

## Hampton Inn and Suites - Napa, CA

### Project Summary

FoamOrder replaced the outdoor patio and pool area cushions at OTO Development's Hampton Inn and Suites in Napa, CA. Collaborating with the purchasing head and General Manager, FoamOrder provided new reticulated, dry-fast foam cushions and matching covers. This resulted in improved aesthetics and more comfortable, quick-drying cushions.

### Customer Testimonial

*"The FoamOrder team expertly guided us through each step of the process, measuring and matching the dimensions of all our existing furniture. The new cushions look fantastic. We are pleased with both the product and the service, and we look forward to working with FoamOrder on future projects!"*
